About our Preschools....

The City of South San Francisco operates 3 licensed Preschools.

Westborough and Siebecker Preschools are full-fee based programs. Families have the choice of full time or part time schedules based on availability. Fees are on the back side of this form.

Little Steps is a Big Lift grant funded preschool. Enrollment is for full time only. The fees are on a sliding scale based on family size and gross monthly income. Families can call 650-875-6900 to see if they qualify. If you are applying for Little Steps Preschool include your family size and income on the waiting list form.

Families can apply for more than one preschool.

Our Preschool curriculum provides a learning environment and experiences that help young children develop socially, intellectually, physically and emotionally. Our program is play-based and is characterized by a predictable structure, providing children with a dependable routine.

We believe that children learn through play. What may seem like simple child's play to us is actually a laboratory of work to a child. Through play and structured activities we focus on the process of learning not the product as it is the learning that is taking place that is what is important.

All schools operate year-round Monday-Friday 7:30 am to 6:00 pm.

To be eligible to enroll for Siebecker & Westborough Preschool children must be between 2 ½ and 5 years old and be fully toilet trained. For Little Steps children must be between 3 and 5 years old and fully toilet trained. To schedule a tour you may call the school directly and make an appointment.
