Biotech Lives Here

SOUTH
SAN FRANCISCO

GROW WITH US
South San Francisco is the hub of biotechnology in the World!

The city is close to the world’s major research universities, UC San Francisco, Stanford & UC Berkeley.

Businesses have access to the Bay Area’s venture capital and angel investors.
The region’s business infrastructure infuses the area with a culture of collaboration and entrepreneurial spirit unlike anywhere else.
DNA for Growth

- **1976**: Industry leader Genentech started with 2,000 square feet and just four employees.

- **2014**: 16 R&D campuses and over 11 million square feet of laboratory, office and manufacturing space. And growing.

- SSF is home to the largest biotech campuses of the World.
Investments in the Infrastructure

- Ample highways, railways, ocean cargo links and three international airports.

- South San Francisco has invested over $300 million in public improvements.

RECENT PROJECTS

- Caltrain Station
- SamTrans, SF Bay Ferry to BART/SFO Commuter Link
- Overpass & Fly Over at Oyster Point
- SFO Expansion
- New Water Quality Control System and Sewer System Improvements

Ample highways, railways, ocean cargo links and three international airports.

South San Francisco has invested over $300 million in public improvements.
Connect with the Best

- **46,000+** people are employed in various companies and academia in the area.
- **20,000** of them work for bioscience in over 150 different companies.
