

GET US MOVING: Local Solutions to Improve Traffic and Transportation

San Mateo County's economy has been booming, and we need investment in our infrastructure and transit systems to keep pace so we can reduce traffic congestion and ensure our county remains a wonderful place to live, work and raise a family.

BE PART OF THE SOLUTION

Solutions are available, but we need your help to prioritize and develop a plan that gets San Mateo County moving. Completing this simple and fun survey below will provide us with critical feedback about your priorities for transportation improvements. The input you provide will be used to help develop a roadmap to faster and better transportation throughout our county. Your participation will help to define key investment priorities for the future.
