### What qualifies as a large family day care?

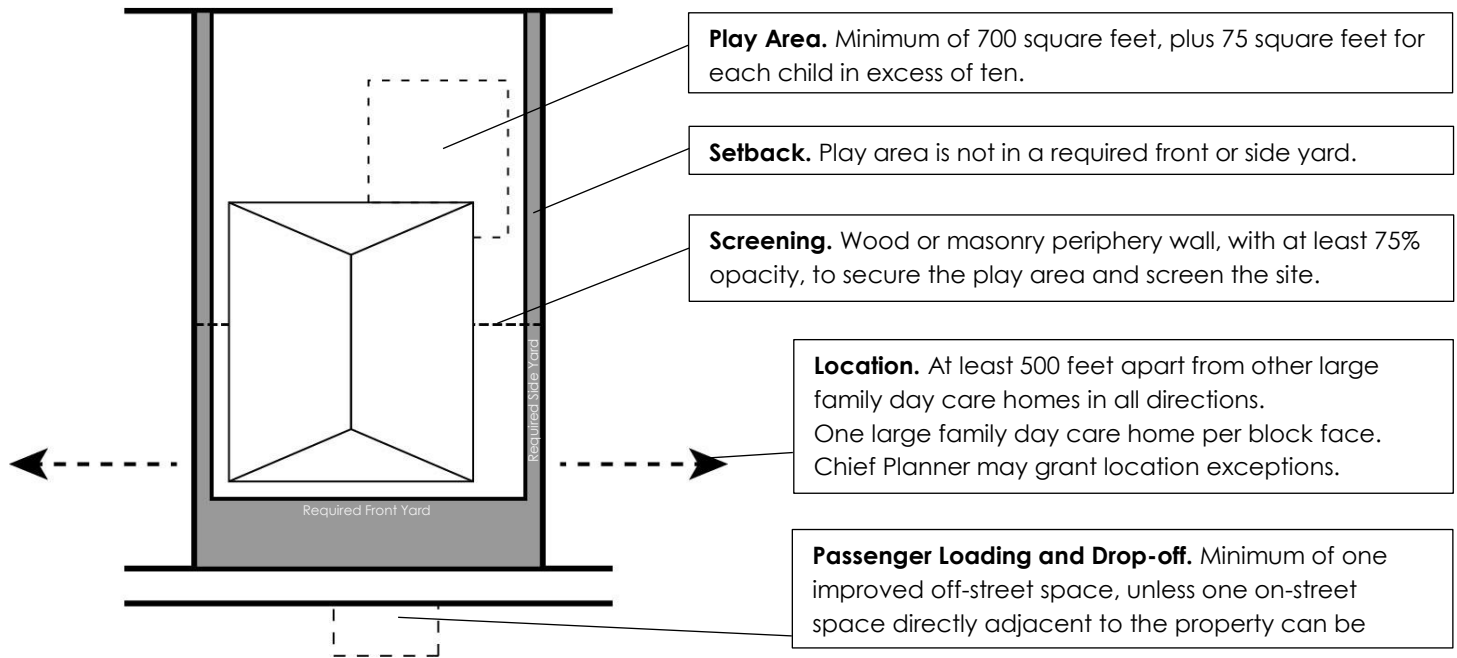

A large family day care consists of a day care facility within a dwelling unit, which has received a license from the State of California to serve as a large family day care.

### Where can I find City standards on large family day cares?

Standards and requirements can be found in Section [20.350.019](#) of the South San Francisco Municipal Code.

### What are the site requirements?

Plan shall be provided showing how site requirements will be met. Plans should be scaled and have clear measurements and labels. Traffic generated by the large family day care at the site should be at an acceptable level for typical residential neighborhoods.
