

Mayor's Update

Hello SSF,

You can't say it doesn't get hot in South San Francisco! I hope everyone's found ways to stay cool and safely enjoy the Fourth of July. One of my favorite places to cool down is at the Library and Parks & Rec Center which does serve as a Cooling Center when we have two or more consecutive days of 90+ degree heat. Visit our [website](#) and follow us on social media for whenever we have updates on this.
