

Tech Tuesdays at the South San Francisco Main Library's Digital Media Lab

Tech Tuesdays are weekly, beginner-friendly workshops hosted at the South San Francisco Main Library's Digital Media Lab. Once a month, we'll have Notion-specific lessons where you can learn how to use Notion for productivity, creativity, and community.

What You'll Learn

April 29, 2025 @ 12 PM Spring Into Organization with Notion

Spring is the perfect season for a fresh start! In this Tech Tuesday workshop, learn how to use the Notion app to organize your household projects, cleaning schedules, gardening plans, and more.

June 3, 2025 @ 12 PM Simplified Summer Family Organization with Notion

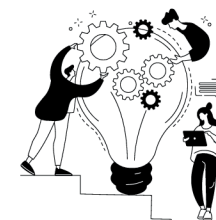

Summer routines don't have to be stressful! In this interactive workshop, learn to use the Notion app to coordinate family schedules, summer vacation plans, chores, and activities.

Who's it for?

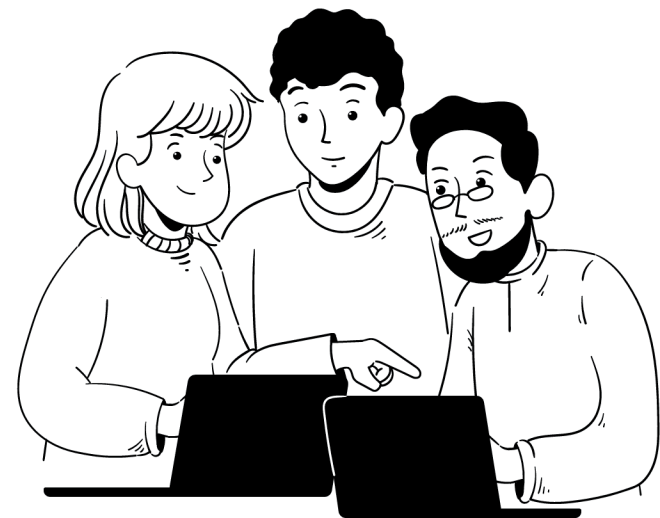

- Students
- Small business owners
- Creatives
- Curious minds
- Anyone new to Notion or looking to learn more

Why attend?

- Free and open to the public
- Learn by doing
- No tech experience required

Join the Notion South San Francisco Community

What can you do with Notion?

Set up your first Notion workspace

Create a second brain for notes and ideas

Plan your life with task boards and calendars

Build a reading log or class schedule

Organize your business, budget, or inventory

Track personal projects, habit trackers, and more!

Each month focuses on a new theme—come once or come often!

You can...

- Get templates, resources, and support
- Ask questions and suggest future workshop topics
- Share your own workspace creations

Notion Tech Tuesdays at the South San Francisco Main Library

Free monthly workshops. Hands-on learning. Local tech community.

A community-operated group. Not run by Notion.
