

SOUTH SAN FRANCISCO LIBRARY I | PARKS AND RECREATION CENTER MOTHER'S & LACTATION ROOM POLICY

It is the goal of the Library Board of Trustees and staff of the South San Francisco Library I Parks and Recreation Center (LPR) for all visitors to enjoy an accessible, positive, and safe experience when using the facility. This policy is designed to ensure LPR spaces and facilities serve their primary purposes, including the provision of a quiet and safe environment in which people may read, study, use library materials and equipment, take classes, and contemplate. The rules may regulate disruptive behavior, noise, offensive odors, health and sanitation hazards, and bringing possessions, materials, or objects into the facility which are likely to interfere with its use by others. The rules established under this policy will be enforced together with the City of South San Francisco's Code of Conduct, codified within Chapter 10.76 of the South San Francisco Municipal Code. The rules may not unreasonably or unfairly restrict access by any person or group.

Consistent with the Americans with Disabilities Act (ADA) and state law, it is the policy of the City of South San Francisco to provide reasonable accommodation when requested by a person with disabilities, unless such accommodation would cause an undue hardship. If reasonable accommodation is needed, please contact the Library Director at (650) 829-3872 or libraryadmin@ssf.net.
