AUGUST 2025

Summer Learning Challenge Event

Insect Discovery Lab
Saturday, August 9, 1:00 PM
2nd Floor Community Room

SaveNature introduces the extraordinarily diverse world of insects and arthropods. Learn about their key role in the web of life. Interact with and see live insects and arthropods. Recommended for ages 3+. Space is limited.

Introduction To Scratch Coding
Mondays, August 4, 11, 18 and 25, 4:00 PM
2nd Floor Digital Media Lab

Curious about coding? This introduction Scratch program is a great event to learn coding in a fun and interactive way. Get ready for some coding challenges! Recommended for patrons age 8 and up.

After School Art Club
August 14, 21, and 28, 3:30 PM
2nd Floor Community Room

Need to squeeze in just a bit more summer fun before the school year starts? Join our After School Art Club! Each week we'll focus on different arts & crafts including sketching, origami, bracelet making, and more!

Kite Day
August 7, 3:00 PM
2nd Floor Makerspace

Learn how to make a kite in the Makerspace and fly it outside on the LPR turf!

Glowforge Workshop
August 16, 2:30 PM
2nd Floor Digital Media Lab

Want to learn more about our laser cutter and what you can make with it? Come on in and join us as we use Inkscape to create personalized name plates on the computer and then watch as our Glowforge laser cutter etches and cuts them out! We will have two sessions at 2:30pm and at 3:30pm. Program suitable for ages 12+.
