

Fixit Clinic Repair Session

**2nd Thursday of the Month
5:30 pm - 7:30 pm**

Find your Do It Together(DIT) community at the Library! Repair-inclined neighbors will meet in the Makerspace to informally troubleshoot, disassemble, and diagnose broken things together. What's wrong with it? How did it break? And is it repairable?

**Main Library, 901 Civic Campus Way
2nd Floor Makerspace**

No oversize items please! Sewing machines will be available!

Drop-ins welcome but it helps if you let us know what you're bringing by filling out this form (scan QR code) in advance: <https://bit.ly/itemcheckin>

Tech savvy? Get a head start by joining the Global Fixers Server on Discord, follow the directions here: <https://bit.ly/joinglobalfixers>
