Article 1. Preamble

This Memorandum of Understanding is entered into by the City of South San Francisco, hereinafter designated as City and the American Federation of State, County, and Municipal Employees, Local 829, hereinafter designated as Union as a mutual agreement of those wages, hours, and conditions of employment which are to be in effect during the period of July 1, 2017 through June 30, 2020, for those employees working in classifications in the representative unit referred to in Appendix A of this Memorandum of Understanding (MOU).

Article 2. Union Rights

- 2.1. *Recognition*—The City recognizes the American Federation of State, County, and Municipal Employees, Local 829 as the employee organization representing the employees in this unit, which consists of all employees in the classifications identified in Appendix A and as may be added to the unit by the City during the term of this agreement.
- 2.2. *Union Dues and Representation Fees*—
 - 2.2.1. *Use of Payroll Deduction*—The Union shall have the privilege of using the City’s payroll system for the purpose of deducting Union dues and other lawfully permitted deductions from employees’ pay for whom the Union is the recognized majority representative employee organization. This authorization shall not be provided to any other registered or recognized employee group or organization.
 - 2.2.2. *Amount of Deductions*—The City shall withhold dues and other lawfully permitted deductions in such amounts as are officially prescribed by the Union or are otherwise established by the terms of this Memorandum of Understanding.
 - 2.2.3. *Authorization for Dues Deductions*—The City shall withhold Union dues and/or other lawfully permitted deductions from the salary of an employee and remit withholdings to the Union or such other organization as is identified in this memorandum as follows:
 - 2.2.3.1. *Maintenance of Dues Deductions*—An employee who was employed by the City in a classification covered by this memorandum upon the date that the City Council approves and adopts this Memorandum of Understanding shall do one of the following in regards to dues deductions.

- 2.2.3.1.1. *Authorization on File*—The employee shall have a written request and authorization for deduction of Union dues in effect upon the date this memorandum is approved and adopted.
- 2.2.3.1.2. *Authorization*—The employee shall submit a written authorization for the deduction of Union dues during the term of this Memorandum of Understanding.
- 2.2.3.1.3. *Deduction Continuance*—The employee shall have such dues deductions continued during the term of this memorandum, excepting that such an employee shall be allowed to withdraw authorization for continued withholding of dues deductions during the last 30-calendar days of the term of this memorandum by filing a written statement withdrawing authorization for dues deduction with the City and the Union. Upon the receipt of such a withdrawal of authorization from an employee, the City shall discontinue deducting Union dues from the salary of the employee effective the first full payperiod immediately following the expiration of this memorandum. The City shall provide the Union with the names of employees who have filed a withdrawal of authorization for Union dues deductions.
- 2.2.3.2. *Agency Shop Union Dues, Agency Fees, or In-lieu Payments (Personal Objection)*—An employee who is hired into a position in a classification covered by this Memorandum of Understanding subsequent to the date on which the City Council approves and adopts the same shall, within the first 30-calendar days of said employee's date of hire and as a condition of continued employment, file with the City one of the following documents:

The employee will be required, in lieu of period dues, initiation fees or agency shop fees, to pay sums equal to the agency shop fees to one of the following charitable funds listed below, exempt from taxation under Section 501(c)(3) of the Internal Revenue Code, chosen by the employee. Such exempt unit worker will be required to submit to the Union and the City a notarized letter signed by an official of the bona fide religious body certifying that person's membership. - 2.4.1. *Access*—An authorized representative of the Union shall have the right to contact an individual employee represented by the Union in a City facility during the employee's work hours on matters concerning wages, hours and other conditions of employment. The authorized representative shall provide reasonable notice to the employee's immediate supervisor prior to entering the work location of the employee. - 2.4.2. *Stewards*—The Union shall be allowed to designate a reasonable number of employees as stewards. Stewards shall be granted reasonable release time off without loss of time or pay for the purpose of investigating and handling employee grievances.
